Cardiff Third Sector Council exists to support and develop community action and volunteering in Cardiff and to provide a collective voice for the vital voluntary sector in Wales' capital city. We have over 1,300 members ranging from small grassroots community groups to national organisations. We work with Welsh Government, Third Sector Support Wales (TSSW), Cardiff Council and other partners to help voluntary groups and organisations thrive and grow to meet the diverse needs of their communities in Cardiff.

Many people are struggling to cope with hardship and the impact of the Cost of Living crisis, and we know that the fantastic work our members do to connect and support people would not be possible without the dedicated assistance of thousands of volunteers across Cardiff lending a hand or a listening ear, and contributing their expertise, energy and time to their communities. The commitment of the many volunteers working tirelessly across the city is testament to their compassion and willingness to provide invaluable help and to give something back.

Over the past year, we at C3SC have dedicated ourselves to supporting our members and the communities they serve to meet the challenges posed in this current climate. **Over 3,000 individuals** signed up to become volunteers through the Volunteering-Wales platform. Our team supported **over 150 groups** to set up or improve their volunteering schemes, responded to **nearly 700 enquiries**, and **more than 600 participants** engaged with our networks and training events which are run to upskill and support the third sector.

The Cardiff Volunteer Awards - now in its fifth year - is an opportunity to say thank you to volunteers, groups and organisations who have done exceptional work to support their communities. As we plan for this year's celebration, we invite you to support our awards and the celebration event as a named supporter or sponsor.

Would you like to support communities and volunteers and benefit from the CVA's publicity? We are looking for sponsors to provide financial support for our Awards - by purchasing one of our sponsorship packages, making a monetary or gifts in-kind (products, services) donation, or purchasing a stall. This is a wonderful opportunity to progress your Corporate Social Responsibility goals and values, and benefit from the publicity of your support for thousands of volunteers who give their time freely to support their communities. There are limited sponsorship offers, so **HURRY**, and [click here](#) **NOW to sponsor an award category**.

You'll find all the sponsorship details you need in this information pack, with options to suit all budgets. You can book a stall for £100 (FREE for C3SC's members!) through to purchasing our great, value for money Level 4 Sponsorship Package.

Please feel free to contact us on **02920 485 722** or email us at enquiries@c3sc.org.uk for further information.

**This year's event will take place
in-person and online on
Wednesday November 15, 2023.**
